## Activities in the surrounding area

- *Swiss Transport Museum and IMAX*
  - Informative and exciting ... 3,000 unique exhibits relating to transport and communications in an area covering 40,000m<sup>2</sup>. Attractions also include Switzerland's only IMAX cinema, the Planetarium, multimedia Nautirama, the Cosmorama and its Laser-Contact show and much more to guarantee an unforgettable experience.
  
- *Guided city tours to suit every taste*
  - Get to know important, humorous and true facts about Lucerne's past, about its churches, bridges, oriel windows, alleyways, towers – as well as Lucerne's landmark, the Chapel Bridge. Let Lucerne insiders take you on a guided tour of the sights and historic monuments of the "city of light".
  
- *Glasi Hergiswil*
  - Discover the art of glassblowing. This artisan tradition has been revived and teamed with contemporary design. The *Glasi* Museum recreates the history of the *Glasi* and glass with an impressive three-dimensional display. There is ample time afterwards to browse the goods on display in the *Glasi Hergiswil's* shop.
  
- *Breathtaking mountain panorama*
  - Pilatus, Lucerne's prominent landmark, offers an opportunity for a memorable "Golden Round Trip". A unique excursion by boat, the world's steepest cogwheel railway plus gondola and aerial cableways. The breathtaking views of the Alps from the summit are simply magnificent. Our reception team will be pleased to give you more information.

# Denken am See

- *Mini-golf*
  - Enjoy a relaxing few hours with a game of mini-golf on an exciting 18-hole course. Have fun with the 8 table football games, 3 billiard and 3 table tennis tables. Just take bus no. 24 from the Seehotel Hermitage in the direction of Lucerne and a 5-minute ride brings you to the “*Verkehrshaus*” (Transport Museum)” stop.
- *Rope park and toboggan run*
  - Visit the suspension rope park on the slopes of Pilatus, our local mountain. We guarantee you an exciting experience, demanding concentration of a completely different kind. Why not try a spot of “tobogganing”? The summer toboggan run is located alongside the rope park, surrounded by meadows and mountains.
- *Golf courses*
  - Four scenically beautiful and challenging golf courses can be reached in just under 35 minutes - where you can put your golfing handicap to the test.
- *Boat trips on the lake*
  - Do you prefer fajitas in the evening or fondue? Delicious cakes from Heini confectioner’s or just a pleasant trip? Memorable moments and impressions await you on Lake Lucerne. The Lucerne Navigation Company’s (SGV) reservation department will be pleased to meet your wishes.
- *Traditional Muota Valley*
  - Enjoy the unspoilt nature of the Muota Valley. Try a dogsled trip and become a fan of husky trekking. Learn more about life in early Swiss times on a snowshoe hike or experience Eskimo life while building an igloo.
